

Fundraising Ideas

Day Camp On Location

These are not required. However, we've seen them be successful at other Host Partner Locations!

Suggestions:

- Partner with local businesses to provide lunches, etc. during camp.
- Take a special offering during church service.
- Ask parents of registered campers if they'd be willing to sponsor another child.
- Apply for grant money to scholarship under-served kids.
- Set up a "Giving Tree" (or "Giving Rockwall!") to encourage church members to select a child and provide a quarter, half, or whole scholarship.
- Pray and ask specific members of the church to give toward scholarships, meals, matching gifts, etc..
- Host a fundraising meal after church to promote and raise scholarship for camp.
