On Location brings the best elements of summer camp to **YOUR CHURCH.**

Contagious Fun!

We're taking fun to the next level! Our camps are more than just fun—they are contagious, never-ending fun that kids can't get enough of! The kind of fun that parents can experience, see and hear in their own child's stories each day after camp.

Community Impact

Eagle Lake On Location is a catalyst for ministry growth. We partner with you to further the Kingdom through a powerful outreach tool that plants seeds of growth in your church body and surrounding community. By providing an exciting summer camp experience at your church, you have new opportunities to reach the lost and under-served families in your community.

Turn-Key

Your time and ministry are our priority.

Our proven, turn-key programs and highly-trained staff provide everything you need to deliver an exceptionally fun, memorable camp experience. We take care of the details so you can focus on the people rather than the planning.

Life-on-Life Ministry

Eagle Lake On Location enables you to build one-on-one relationships with kids through shared, meaningful experiences. Our counselors are trained and passionate to share Jesus and inspire Christ-centered love and commitment by meeting each one of your kids right where they're at.
